Thank you for considering CASA of Collin County's Casino Night sponsorship.

When you choose to sponsor CASA of Collin County's Casino Night, you are investing in the only court appointed child advocacy program for children in our community as they journey through the complex child welfare system.

CASA of Collin County promotes and protects the best interests of children who have been abused and neglected, removed from their homes and placed into the child welfare system by training volunteer court-appointed advocates to improve the child's quality of life and lift their voice within the court system. Last year, with the support of our community, CASA served a total of 343 children with 220 advocates. Volunteers traveled over 123,044 miles and dedicated over 11,818 hours of service to these vulnerable children.

Our vision is simple – **all children deserve a safe and loving home, free from abuse and neglect.**

CASA of Collin County's Casino Night will raise vital funds to help continue serving 100% of children referred to our program with no delay.

Help make this a winning night!
